Section 5.04. Term; Termination of DUA; Survival

(A) **Term.** Unless terminated earlier under Article 5.04(B) or (C), this DUA shall begin on the Effective Date and continue for one (1) year, when it will automatically expire (unless extended by written agreement of the Parties).

(B) **Termination by CoC Lead and HMIS Lead.** Despite any other provision, CoC Lead and HMIS Lead may terminate this DUA without cause at any time upon giving thirty (30) days prior written notice to User.

(C) **Termination for Cause.** Upon CoC Lead and HMIS Lead's sole reasonable determination that User has breached a material term of this DUA, CoC Lead and HMIS Lead shall be entitled, in its sole discretion, to do any one or more of the following:

- (1) Give User written notice of the existence of such breach and give User an opportunity to cure upon mutually agreeable terms. If User does not cure the breach or end the violation according to such terms, or if CoC Lead and HMIS Lead and User are unable to agree upon such terms, CoC Lead and HMIS Lead may immediately terminate this DUA, and seek relief in a court of competent jurisdiction in Bexar County, Texas. Simultaneously, CoC Lead and HMIS Lead may immediately stop all further disclosure of Confidential Information;
- (2) Exercise any of its rights including but not limited to reports, access and inspection under this DUA; and/or
- (3) Require User to submit to a corrective action plan, including a plan for monitoring and reporting, as CoC Lead and HMIS Lead may determine necessary to maintain compliance with this DUA and the law.

(D) **Effect of Termination.** Termination or Expiration of this DUA will not relieve User of its obligation to return or Destroy the Confidential Information as set forth in this DUA and to continue to safeguard the Confidential Information until such time as determined by CoC Lead and HMIS Lead. The duties of User or its Subcontractor under this DUA survive the termination or expiration of this DUA until all the Confidential Information is Destroyed or returned to CoC Lead and HMIS Lead, as required by this DUA. All rights, remedies, obligations, claims and liabilities which have accrued under this DUA or applicable law prior to the date on which this DUA terminates or expires shall survive such termination or expiration.

Section 5.05. Governing Law, Venue and Litigation

(A) The validity, construction and performance of this DUA and the legal relations among the Parties to this DUA will be governed by and construed in accordance with the laws of the State of Texas.

(B) The Parties agree that the courts of Bexar County, Texas, will be the exclusive venue for any litigation, special proceeding or other proceeding as between the parties that may be brought, or arise out of, or in connection with, or by reason of this DUA.

Section 5.06. Injunctive Relief

(A) User acknowledges and agrees that CoC Lead and HMIS Lead may suffer irreparable injury if User or any of its Subcontractors fails to comply with any of the terms of this DUA with respect to the Confidential Information or a provision of HIPAA or other laws or regulations applicable to Confidential Information.

(B) User further agrees that monetary damages may be inadequate to compensate CoC Lead and HMIS Lead for User's or its Subcontractor's failure to comply. Accordingly, User agrees that CoC Lead and HMIS Lead will, in addition to any other remedies available to it at law or in equity, be entitled to seek injunctive relief without posting a bond and without the necessity of demonstrating actual damages, to enforce the terms of this DUA.

Section 5.07. Indemnification

User will indemnify, defend and hold harmless CoC Lead, HMIS Lead and their respective employees, officers, directors, subcontractors, agents, representatives, or other members of its Workforce (each of the foregoing hereinafter referred to as "Indemnified Party") against all actual and direct losses suffered by the Indemnified Party and all liability to third parties arising from or in connection with any breach of this DUA or from any acts or omissions related to this DUA by User or its employees, directors, officers, Subcontractors, or agents or other members of its Workforce. Upon demand, User will reimburse CoC Lead and HMIS Lead for any and all losses, liabilities, lost profits, fines, penalties, costs or expenses (including reasonable attorneys' fees) which may for any reason be imposed upon any Indemnified Party by reason of any suit, claim, action, proceeding or demand by any third party to the extent caused by and which results from the User's failure to meet any of its obligations under this DUA. User's obligation to defend, indemnify and hold harmless any Indemnified Party will survive the expiration or termination of this DUA. This indemnity is independent of User's duty to procure insurance.

Section 5.08. Insurance

(A) At CoC Lead and HMIS Lead option, CoC Lead and HMIS Lead may require User to maintain, at its expense, the special and/or custom first- and third-party insurance coverages, including without limitation data breach, cyber liability, crime theft and notification expense coverages, with policy limits sufficient to cover any liability arising under this DUA, naming CoC Lead and HMIS Lead, as additional named insureds and loss payees, with primary and non-contributory status, with required insurance coverage, by the Effective Date, or as required by CoC Lead and HMIS Lead.

(B) User will provide CoC Lead and HMIS Lead with written proof that required insurance coverage is in effect, upon request.

Section 5.09. Fees and Costs

Except as otherwise specified in this DUA, including but not limited to requirements to insure and/or indemnify CoC Lead and HMIS Lead, if any legal action or other proceeding is brought for the enforcement of this DUA, or because of an alleged dispute, contract violation, Event, Breach, default, misrepresentation, or injunctive action, in connection with any of the provisions of this DUA, each Party will bear their own legal expenses and the other cost incurred in that action or proceeding.

Section 5.10. Entirety of the Contract

This DUA constitutes the entire agreement between the Parties concerning the subject matter. No change, waiver, or discharge of obligations arising under those documents will be valid unless in writing and executed by the party against whom such change, waiver, or discharge is sought to be enforced.

Section 5.11. Automatic Amendment and Interpretation

Upon the effective date of any amendment or issuance of additional regulations to HIPAA, or any other law applicable to Confidential Information, this DUA will automatically be amended so that the obligations imposed on CoC Lead and HMIS Lead and/or User remain in compliance with such requirements. Any ambiguity in this DUA will be resolved in favor of a meaning that permits CoC Lead and HMIS Lead and User to comply with HIPAA or any other law applicable to Confidential Information.

Section 5.12. Third Party Beneficiaries

The Third Parties are third party beneficiaries of this Agreement but have no obligations whatsoever hereunder and nothing herein shall create any such obligations (either express or implied) on the part of the Third Parties. There are no other third party beneficiaries of this Agreement.
