Before Starting the Special CoC Application

You must submit both of the following parts in order for us to consider your Special NOFO Consolidated Application complete:

1. the CoC Application, and
2. the CoC Priority Listing.

The CoC Special NOFO page provides HUD-approved resources to assist you in completing the Special NOFO CoC Application, including:

- Special Notice of Funding Opportunity to Address Unsheltered and Rural Homelessness
- 24 CFR part 578
- Special NOFO CoC Application Navigational Guide
- Section 3 Resources
- Frequently Asked Questions

As the Collaborative Applicant, you are responsible for reviewing the following:

1. The Special Notice of Funding Opportunity (Special NOFO) for specific application and program requirements.
2. The Special NOFO Continuum of Care (CoC) Application Detailed Instructions for Collaborative Applicants which provide additional information and guidance for completing the application.
3. All information provided to ensure it is correct and current.
4. Responses provided by project applicants in their Project Applications.
5. The application to ensure all documentation, including attachment are provided.

CoC Approval is Required before You Submit Your CoC's Special NOFO CoC Consolidated Application

- 24 CFR 578.9 requires you to compile and submit the Special NOFO CoC Consolidated Application on behalf of your CoC.
- 24 CFR 578.9(b) requires you to obtain approval from your CoC before you submit the Consolidated Application into e-snaps.

Answering Multi-Part Narrative Questions

Many questions require you to address multiple elements in a single text box. Number your responses to correspond with multi-element questions using the same numbers in the question. This will help you organize your responses to ensure they are complete and help us to review and score your responses.

Attachments

Questions requiring attachments to receive points state, "You must upload the [Specific Attachment Name] attachment to the 4A Attachments Screen. Only upload documents responses that are directly related to the question being asked. Do not upload any other files which ultimately slows down the funding process. Include a cover page with the attachment name."
- Attachments must match the questions they are associated with--if we do not award points for evidence you upload and associate with the wrong question, this is not a valid reason for you to appeal HUD's funding determination.
- We must be able to read the date and time on attachments requiring system-generated dates and times; (e.g., a screenshot displaying the time and date of the public posting using your desktop calendar, screenshot of a webpage that indicates date and time).
