 - d. Create case note documenting why client was ineligible
8. If HH appears eligible, application packet is forwarded to Opportunity Homes, Ccing referring case manager.
 - d. Create case note reflecting submission.
 - e. Update Referral Status to “Pending Approval”

Homelink Voucher Referral Outcomes - CTH

CE Outcomes Defined

1. Successful referral: Client Accepted
2. Unsuccessful referral: Client Rejected
3. Unsuccessful referral: Provider Rejected

Referral Outcomes Defined (in HMIS)

1. Referred
2. Accepted/Approved
3. Ineligible
4. Client Turned Down Referral
5. Client Did Not Follow Up

Updating Referral Outcomes in HMIS based on Opportunity Home's updated voucher logs (Bi- weekly)

- Upon receipt of updated log, run CTH Referral report in HMIS
 - a. Sort by status, beginning with "Pending Approval", add the OHSA EID number for any clients without a "Voucher ID"
 - b. Utilizing the Referral report and the Opportunity Home log identify application updates since last log.

Successful Outcomes = Voucher awarded

1. Resolve CE Event
2. Resolve Referral (Change Status and Outcome to Approved and Attained respectfully)
3. Close Homelink Voucher CE Enrollment (if not already closed)
4. Create a case note reflecting referral resolution.
5. Enroll the client in Voucher Project (i.e., CTH OHSA Housing Voucher PH).
 - i. Verify from Homelink Voucher CE Enrollment Case Note that HUD assessments had been updated.
 - ii. Copy Assessments
6. As updated by Opportunity Home's log, update move-in date as provided.
7. As updated by Opportunity Home's log, close project enrollment when HH is indicated to be no longer in program.
8. Document all project updates in case notes.

Unsuccessful Outcome = Ineligible

1. Resolve CE Event
2. Resolve Referral (Ineligible)
3. Close Homelink Voucher CE Enrollment (if not already closed)
4. Create a case note reflecting referral resolution, including the reason that Opportunity Home indicated HH was ineligible.

Updating CTH Voucher Project - CTH (bi-weekly)

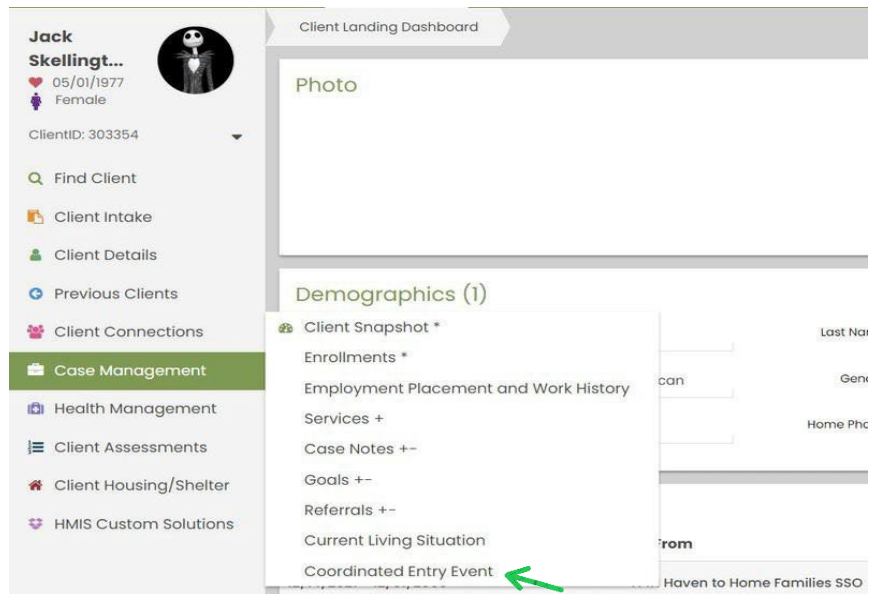

1. As updated by Opportunity Home's log, update the move-in date as provided.
2. As updated by Opportunity Home's log, close project enrollment when HH is indicated to be no longer in the program.
3. Document all project updates in case notes.

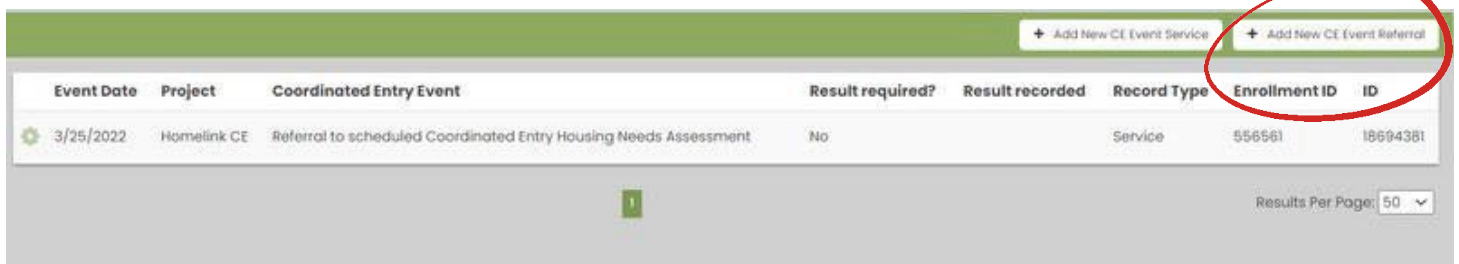

HMIS Workflow Job Aid: Homelink CE Event/Referral⁶

Section 1: Opening a Referral

1. From the left Navigation Pane, select Case Management, then click Coordinated Entry Event

2. Review this section to ensure there are no open referrals to prevent referring the client to multiple projects. Once you have confirmed, click **Add New CE Event Referral**. Do NOT select **Add New CE Event Service**.

3. A new window should appear with a two-step workflow. Click the Enrollment dropdown and select the appropriate enrollment.
 - Housing Project – Select the HH’s ES, SO, SH, TH, or Homelink CE Project.

⁶ If you have questions or encounter issues with this feature, please submit a ticket to HMIS.Support@havenforhope.org and an HMIS representative will assist you.

- Homeless Prevention – Select the Homelink Prevention CE Project.
- Voucher – Select the Homelink Voucher CE Project.
- Diversion – Selection the Homelink Diversion CE Project.

The screenshot shows the 'Add New Master Program Referral' form. The 'Referral Type' is 'Program Referral'. The 'Enrollment' dropdown is open, showing 'RMYA RHY Basic Center ES' selected, with a black arrow pointing to it. Other fields include 'Preferred Start Date' set to '--Nothing--', 'Case Note' with a 'Case Note' button, and 'Restriction' set to 'Shared'.

You can also add the Homelink Referral Case Note during this workflow by clicking the Case Note button. You will select the Homelink Referral Case Note template after clicking Case Note, and click 'Save'.

The screenshot shows the 'Edit Case Note' form. The 'Reference Date' is '10/24/2022'. The 'Template' dropdown is open, showing 'Homelink Referral Case Note Ten' selected, with a black arrow pointing to it. The 'Summary' is 'Homelink Referral Case Note Template'. The 'Note Description' field contains 'Project being referred:'. The 'Type' is 'Referral'. There are 'Save' and 'Cancel' buttons at the bottom.

4. Optional: Enter the Preferred Start Date and click 'Save'.

5. On the second page of the workflow, click 'Add New'.

6. Find the program you wish to refer the HH to and click the check mark next to the project name.
- Housing Project – Select your permanent housing project.
 - Homeless Prevention – Select your Homeless Prevention project.
 - Voucher – Select the appropriate CTH Voucher project.
 - Diversion – Select the Homelink Diversion CE project.
 - Expedited or Emergency Housing Referrals or PSH Bridge – Select Homelink Expedited Referral/PSH Bridge SSO project.
 - CTH COSA PLACE SSO

7. Select the appropriate Event and select 'No' for 'Do you have the Event result?' if applicable, then click 'Save'.

- Housing Project – Select one of the following options based on your project type:
 - i. Referral to RRH project resource opening
 - ii. Referral to TH bed/unit opening
 - iii. Referral to Joint TH/RRH project/unit resource opening
 - iv. Referral to PSH project resource opening
 - v. Referral to Other PH project/unit/resource opening
- Homeless Prevention – Select Referral to Prevention Assistance
- Voucher – Referral to Other PH project/unit/resource opening
 - i. Stability Voucher- Referral to Housing Stability Voucher
- Diversion – Select Problem Solving/Diversion/Rapid Resolution Intervention or Service
- Expedited or Emergency Housing Referrals or PSH Bridge – Select Referral to Scheduled coordinated Entry Crisis Needs Assessment
- PLACE – Select Referral to Other PH project/unit/resource opening

HMIS Test Project 10/24/2022 Referred

Case Note Case Note

Event * Referral to RRH project resource opening

Do you have the Event result? * No

Restriction * Shared

8. Click 'Done' to complete the workflow.

Workflow is now complete.

- Mon, Oct 24, 2022 At 01:05 PM | Gall, Nina | Add New Master Program Referral
- Mon, Oct 24, 2022 At 03:24 PM | Gall, Nina | Add New Coordinated Entry Event Referrals

3. Change 'Do you have the Event result?' from 'No' to 'Yes' and complete the Referral Result and Data of Result, then click 'Save'.

The screenshot shows the 'Program Referral Add/Edit' form. The 'Do you have the Event result?' dropdown is set to 'Yes'. Other fields include 'Referred Date' (10/24/2022), 'Referred From Program' (RMYA RHY Basic Center ES), 'Referred to Program' (HMIS Test Project), 'Coordinated Entry Event' (Referral to RRH project resource opening), 'Referral Result' (empty), 'Date of result' (empty), and 'Restriction' (Shared). The 'Status' dropdown is set to 'Referred'. Green arrows point to the 'Do you have the Event result?', 'Referral Result', and 'Date of result' fields.

If the referral was successful, select 'Successful Referral: Client Accepted' and the status will update to Accepted/Approved.

The screenshot shows the 'Program Referral Add/Edit' form with the 'Referral Result' dropdown set to 'Successful referral: client accepted' and the 'Status' dropdown set to 'Accepted/Approved'. Other fields are the same as in the previous screenshot. A green arrow points to the 'Status' dropdown.

If the referral was unsuccessful, select either 'Unsuccessful Referral: Client Rejected' or 'Unsuccessful Referral: Provider Rejected', then select the appropriate status from the two options.

The screenshot shows the 'Program Referral Add/Edit' form with the 'Referral Result' dropdown set to 'Unsuccessful referral: client rejected' and the 'Status' dropdown set to 'Client Turned Down Referral'. Other fields are the same as in the previous screenshots. A green arrow points to the 'Referral Result' dropdown.

4. Confirm that the referral is closed by ensuring that 'Result Recorded' shows 'Yes'.

Event Date	Project	Coordinated Entry Event	Result required?	Result recorded	Record Type	Enrollment ID	ID
10/24/2022	RMYA RHY Basic Center ES	Referral to RRH project resource opening	Yes	Yes	Program Referral	605382	3
3/25/2022	Homelink CE	Referral to scheduled Coordinated Entry Housing Needs Assessment	No		Service	556561	18894381

Once the referral is closed, the client is ready to be enrolled into the project! Please visit the HMIS Entry Workflow Guide in the HMIS training materials if you have any questions on how to complete this process.
